

USC Women in Physics Presents: **Secrets of the Science Library** (for Physicists)

Join us at Noon on Friday Sept. 15, 2006, at:
The Collaborative Space on the first floor of the
Science & Engineering Library (SSL on the USC map)

The event will feature:

- ★ Demo of library resources, including:
 - INSPEC
 - Web of Knowledge
 - Google Scholar
 - Library web site
- ★ Tour of the S&E Library physical resources, including:
 - Scanner
 - Study Rooms
 - Wired Laptop Carrels
- ★ Lunch!

**RSVP to Women in Physics (wiphys@usc.edu)
by September 12!**

**For more information, contact Katie Mussack at
Women in Physics, or
Librarian Sara Tompson, Physics/Astronomy
Subject Specialist (sarat@usc.edu)**
